Of the two quotes received (which were similar in price), the ES Landscape Planning one was agreed to be the preferred choice by all Councillors.</p>
8.3	<p>To consider two logo drafts for the Old Basing & Lychpit Environment Campaign and agree the suitable final design. A company had kindly prepared the six possible logo designs for the Parish Council free of charge. The designs were each voted on and two final options were discussed. The Councillors unanimously agreed upon 'design one', particularly as the smaller version was clear and effective.</p>
8.4	<p>To discuss a recent meeting held by Whitchurch Town Council regarding Local Housing Numbers and agree any necessary further action. Cllr. K Tuck attended the meeting at Whitchurch Town Council and provided the Committee with a copy of the powerpoint presentation which had been discussed.</p> <p>It was recommended that all committee members read the NPPF in full, which assumes that the Local Planning Authority's planning numbers are correct in the Local Plan.</p> <p>At the time of meeting, Central Government had just announced that the anticipated planning white paper had been abandoned and there was suggestion that more responsibilities will be shifted to Local Government. Furthermore, Census 2021 figures have not yet been released. Until more details have been clearly confirmed, the Committee agreed that Old Basing & Lychpit Parish Council should offer its full support and asked the Deputy Clerk to write a letter confirming such.</p>
