## Section 137 expenditure

### Financial Year 2022 to 2023

Section 137 of the Local Government Act 1972 enables local councils to spend a limited amount of money for purposes for which they have no other specific statutory expenditure. Some Section 137 expenditure is via grants to other community organisations and some is via a direct payment by the Council to a supplier.

The maximum amount a Council has for Section 137 spending is determined by the number of voters multiplied by an allowance. In the financial year 2022-23 the Parish council had 5,661 voters and the allowance was set at £8.82 = £ 49,930 total
